

# The Village Authors November 2022 Presentation

## Topic: How Do you Eliminate Writers Block

The group was led by team member Deneane in open discussion answering the following questions:

What causes you to get stuck?

- Distractions
- Trauma
- Trying to get it perfect, continually asking yourself if it is good enough

What ways do you get unstuck?

- Share your review for input with someone you trust to tell you the truth
- Share your issues
- Acknowledge the block
- Create a routine for writing time and stick to it
- Get a beta reader

Quote/Inspiration from Village Authors:

- What have you got to lose?

The group was able to review a number of ways to get unstuck and discuss how to get unstuck. Each person is inspired in various ways, but when the time comes when you feel your inspiration has been lost or paused, and you are not able to feel your writing mojo:

- Change your space
- Do something different
- Read another author
- Take a moment to acknowledge the space you are in
- Create a new writing space/time/reason
